

ESTUDIO MARISCAL

Barcelona, 17-07-2008

To whom it may concern,

I'm the executive director at Estudio Mariscal and I'm writing this on behalf of Lilli Langenheim who did her work practice at the studio from the 08/02/2008 to 17/07/2008.

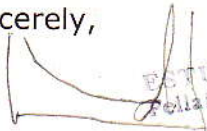

While Lilli Langenheim was with us she worked in the Graphic team on the corporative and communication projects: "Bancaja" ," Club estrella", "Hoteles Silken", "Salon Nautico", "Cibercaixa". She worked also making the graphic process for model sheets and preparing the original drawings on digital format for the animation film feature "Chico and Rita".

During her time here she showed herself to be diligent, responsible and affable, understanding of how to work in a team, with a very high aesthetic criteria and full knowledge of the processes and techniques involved in the Communication and Art fields.

Therefore I can fully recommend Lilli Langenheim to anyone.

We are thankful for her contributions in our Estudio during the practice period and wish beyond all the best for her further professional future.

Yours Sincerely,

ESTUDIO MARISCAL, S.A.
